

SNAPE PRE – SCHOOL NEWSLETTER

Summer Term 2021

We have had a fantastic Spring term at Snape Pre-School exploring all things Spring. The children have made their own daffodils and have filled our lovely season tree with spring blossom and ladybirds. We have explored Elmer during World Book Week and will be learning all about Easter this week!

Our Topic

Next term we will be looking at farms and harvest. We will be discussing where our food comes from linking it to our sensory tray and expressive art and design activities.

Forest School

The children have loved playing in the Forest on Fridays. They have made caterpillars, collected logs, dug up holes, made their own campsites and raked lots of mud. On Fridays please continue to bring wellies and appropriate outdoor wear for your children.

Drop off and Collection

At drop off and collection times please allow only one member of your household to bring your child in to Pre-school.

Snack

Although the school can provide milk for our children, sadly the government does not provide fruit and vegetables for under five year olds. Therefore could we kindly ask that you send your child in to Pre-School with a fruit or vegetable of their choice to be enjoyed at snack times.

Diary Dates

Tuesday 13th April- First day of Summer term

Monday 31st May - Friday 4th June - Half Term

Tuesday 20th July - Last day of term

**Happy Easter from all of us at
Snape Pre-School!**
