

## **STOP AND THINK BEFORE YOU ENTER OUR SCHOOL BUILDING**

**We make Snape a happy place to be for CHILDREN only with YOUR HELP...**

**If you have concerns we will always listen to them and seek to address them but before you come and see us please consider whether your concern has already been addressed.**

- **Please consider whether your children have already spent time with school staff chatting through issues-in most cases they have.**
- **Please consider whether you need to 'dig up' those issues again?**
- **Please consider that we are ultimately here for your children and want to spend as much as time as possible creating ways to make learning exciting.**
- **Please consider that we will always respond to concerns but you must behave as part of our Snape community when you raise them.**

**Parents and carers are visible to other parents and carers but most importantly to ALL CHILDREN.**

**They notice the way adults behave....are you the role model you should be for our SNAPE CHILDREN?**

**Please be aware that intimidating, abusive, threatening or violent behaviour will not be tolerated in this school.**

**Anyone behaving in such a way will be asked to leave; they may receive a ban from the premises and their behaviour may be reported to the police.**

**THANK YOU**  
**ZERO TOLERANCE**
